§ 4610.1-1 Certificate of ownership for State or county lands.

Where State and county lands are offered for lease, a certificate from the proper State or county official will be required showing that title to the lands is in the State or county and that the officer or agency of the State or county offering them for lease is empowered by the laws of such State to lease such lands.

§ 4610.1-2 Certificate of ownership for private lands.

Where privately owned lands are offered for lease, the party offering them will be required to file with the local office of the Bureau of Land Management certificates from either the proper county officials, a licensed abstractor, or an administrative officer of the Bureau of Land Management whichever is required by an authorized officer, certifying that the records of the county in which the lands are situated show that the party offering the lands for lease is the record owner thereof or in legal control of such lands under appropriate recorded lease permitting the subleasing of the property, and including an itemized statement showing the nature and extent of any liens, tax assessments, mortgages, or other encumbrances.

§ 4610.2 Leases.

§ 4610.2-1 Form of lease.

Leases under the Pierce Act should conform in general to a form approved by the Director. This form is believed adaptable for use in all of the States within which grazing districts have been established under the Taylor Grazing Act. Leases under the Pierce Act must be executed by the lessor in the manner prescribed by the laws of the State within which the lands leased are situated.

§ 4610.2-2 Period of lease.

Leases may be made for such periods as are deemed proper by an authorized officer in promoting a proper land-use program in connection with the public range, not to exceed, however, the 10-year period as limited by the Pierce Act, beginning with the date of the approval of such lease.

§ 4610.2-3 Approval of lease; renewal.

Local negotiations for leasing of lands under this act will not be effective until the lease and any renewal thereof has been approved by an authorized officer of the Bureau of Land Management. Upon such approval the lease should be recorded in the land records of the county in which the land is situated.

§ 4610.3 Payment of rental.

The carrying capacity of the lands will be taken into consideration in negotiating the rental to be paid. Payment of rentals will be made annually by the United States at the end of the period for which licenses or permits to graze on the lands involved have been granted, or as soon thereafter as the moneys collected by the United States from its licensees or permittees for the use of such lands have been appropriated by the Congress in accordance with the provisions of the Pierce Act, and made available for such purpose, or moneys for the payment of such rentals have been made available through contributions under section 9 of the Taylor Grazing Act (48 Stat. 1273; 43 U.S.C. 315h).

§ 4610.4 Fees.

§ 4610.4-1 Computation of fees.

The aggregate of the grazing fees collected for the use of the lands leased under the provisions of the Pierce Act must be sufficient to insure a return to the United States of an amount equal to the aggregate of the rentals paid for such lands and the aggregate of the grazing fees collected for the use of all the lands leased in any one State must be at least equal to the aggregate of the rentals paid in that State.

§ 4610.4-2 Disposition of receipts.

All moneys received in the administration of lands leased under the Pierce Act will be deposited in the Treasury of the United States as provided in section 4 of that Act and will be available when appropriated by the Congress for the leasing of lands. Distribution of such receipts, therefore, will not be made as provided in sections 10 and 11 of the Taylor Grazing Act (48 Stat. 1273; 43 U.S.C. 315i, 315j).
